accident repair

If it comes to the crunch...

Accidents happen. From a minor bump to a major rebuild, we repair commercial vehicles – trucks, coaches, vans and trailers – of all makes and sizes. And if there is a bright side to any damage, it's in knowing we'll soon have it safely sorted for you.

Our state-of-the-art centres, staffed by qualified technicians, are fully equipped with Josam and Car-O-Liner jigs to tackle any problem that a road incident throws your way. With hopefully no serious personal injuries to worry about, getting the vehicle back into service quickly can be confidently left to TruckEast.
